A Place We Call Home

Perched on the bluffs of the Mississippi River, Scott County, Iowa, is home to not only one of America’s great waterways, but also some of the richest farmland in the world. When we protect our land and water, we do so not only for ourselves but also for those who live and work along this great river and for those who benefit from the food we grow. In order to ensure protection of our local resources, the Waste Commission of Scott County was formed more than 30 years ago.

Who We Are

As an intergovernmental agency, the Waste Commission’s members include 17 communities and Scott County that share our mission to provide environmentally sound and economically feasible solid waste management. Our Commission is comprised of five elected officials representing the various communities.

What We Do

The Commission has planned, sited, built, and operates:

- Scott Area Landfill
- Scott Area Household Hazardous Material (HHM) Facilities
- Electronic Demanufacturing Facility
- Scott Area Recycling Center

This guide is designed to assist you in finding solid waste information specific to your community. We hope that you will keep it and reference it throughout the year. Remember, if we all pitch in, it works.
Street Address: 11555 110th Avenue (County Road Y-48)
Davenport, IA 52804
Mailing Address: P.O. Box 563 Buffalo, IA 52728

Directions: From Davenport, take River Drive west past the I-280 interchange to the next intersection with a stoplight. Turn left (south) onto Y-48 and the Landfill is 2.5 miles down on the left hand side of the road.

Phone: (563) 381-1300   E-mail: mail@wastecom.com
Fax: (563) 381-1301     Web Site: www.wastecom.com

The Scott Area Landfill is a 48-acre, Subtitle D synthetically lined landfill sited in 1995. It is designed for the proper and safe disposal of residential and business waste generated in Scott County.

Hours: 7:30 a.m. to 3:30 p.m., Monday through Friday and 8 a.m. to noon on Saturday. From Memorial Day until Labor Day, the Landfill is open Monday evenings only until 6 p.m. You must be in and unloaded by closing time.

Fees: The disposal charge is $8.25 per cubic yard. A standard size pickup truck filled level with the sides of the bed will hold 3 cubic yards making it $24.75. Appliances and tires are charged separately (see below). Scrap metal that can be recycled will be accepted at no charge.

Acceptable Materials:
Tires: Scott County residents can dispose of 5 car tires per year at no charge. (See city-specific information for curbside pickup availability.) Business tires will be charged at $94.50 per ton. Rates subject to change.

Appliances: Appliances are accepted at $5.00 each. Ammonia units are accepted at $30 each. Refrigerators and freezers must be empty. (See city-specific information for curbside pickup availability.)
**Batteries:** Automotive (lead-acid) batteries can be brought to the Landfill for recycling during regular hours of operation at no charge. Household (alkaline) batteries can be safely put in your garbage. Rechargeable batteries from residents are accepted through the Household Hazardous Material Program, by appointment only and at area Batteries Plus locations.

**Oil, Oil Filters and Antifreeze:** Up to 25 gallons per month of used motor oil and antifreeze and residential drained oil filters can be recycled at the Landfill at no charge. If you have more than 25 gallons of used oil, please call the Landfill at 381-1300 for assistance. Used motor oil can also be recycled at Wallace’s Garden Center locations.

**Construction & Demolition Debris:** Construction and demolition material is accepted at the Scott Area Landfill. Asphalt shingles and select construction and demolition material are recycled. For options on reuse programs for gently used building materials, see page 53 for the ReStore option.

**Recyclables:** Drop-off containers for recyclables are available at the Landfill. For more information on what can be recycled and proper preparation, see page 13.

**Rules:**

- All loads must be tarped or tied down.
- Waste generated outside Scott County will not be accepted.
- No liquids or hazardous waste such as paint or pesticides.
- Yard waste material such as grass, leaves, brush, logs and firewood must go to the Davenport Compost Facility. See page 15 for more information.
Permanent Facility (at Landfill)
Address: 11555 110th Avenue, Davenport, IA 52804

Directions: From Davenport, take River Drive west past the I-280 interchange to the next intersection with a stoplight. Turn left (south) onto Y-48 and the Landfill is 2.5 miles down on the left hand side of the road.

Satellite Facility (at Recycling Center)
Address: 5640 Carey Avenue, Davenport, IA 52807

Directions: From Highway 61 North or South (Welcome Way/Brady Street), head east on 53rd Street for about a half mile and then turn left (north) on Carey Avenue before the railroad tracks. Follow Carey Avenue to the dead-end. From I-74 head west on 53rd Street for about 2 miles and then turn right on Carey Avenue immediately after crossing the railroad tracks.

Phone: (563) 381-1300
Fax: (563) 381-1301
E-mail: mail@wastecom.com
Web Site: www.wastecom.com

Scott Area Household Hazardous Material (HHM) Facilities serve Scott County and Rock Island County residents and businesses that generate a limited amount of hazardous material. Businesses with hazardous waste should call 381-1300 for assistance.
**Hours:** Both facilities are open by appointment only. Call between 7:30 a.m. and 4:00 p.m. Monday-Friday to schedule an appointment. Appointments are typically taken for Mondays and Saturdays. Please have an estimated number of items prior to calling for an appointment.

**Fees:** There is no charge for Scott and Rock Island County residents to bring household hazardous material to the facility. Businesses are charged according to the type and quantity of waste.

**Acceptable Materials:** Hazardous products can be found throughout the home. Look in the kitchen, bathroom, basement and garage for items such as cleaners, paints, pesticides, or automotive products.

**Rules:**
- Please remain in vehicle at all times.
- Please arrive for your appointment on time and no smoking, please.
- Keep items in original containers and never mix materials together.
- Label containers that are unmarked.
- Glass containers should be packed to prevent breakage.
- Containers cannot be returned.
- Transport material separate from passengers and pets in vehicle, preferably in the trunk.

**Exchange Facility:** The Product Exchange Facility is located at the Scott Area Landfill. Residents are invited to take, at no charge, products such as automotive, home improvement, paint-related, household, and lawn/garden products. The facility is open the same hours as the Landfill (7:30 a.m. to 3:30 p.m. Monday - Friday and 8:00 a.m. to noon on Saturday).
Sharps Exchange Program: To protect the health and safety of collection and processing workers, never put “sharps” such as needles, lancets, syringes or other such devices into your garbage or recycling. The Waste Commission of Scott County provides rigid containers free of charge at the following locations:

Scott Area HHM Facility  
County Road Y-48, Buffalo  
11555 110th Avenue, Davenport

Scott Area Recycling Center  
5640 Carey Avenue, Davenport

Scott County Health Department  
428 Western Avenue, 4th Floor, Davenport

Genesis Diabetes Care Center  
2535 Maplecrest Drive, Suite 16, Bettendorf

Homebound residents, please call 326-8618 for arrangements.

As an alternative, residents may dispose such items in rigid laundry detergent containers with lids tightly secured with tape. No milk jugs or coffee cans with plastic lids are accepted. Mark the container appropriately to prevent it from being placed in your recycling bin or trash.

Full sharps containers may be dropped off at one of the Household Hazardous Material Facilities:

Scott Area HHM Facility  
County Road Y-48, Buffalo  
11555 110th Avenue, Davenport

Scott Area Recycling Center  
5640 Carey Avenue, Davenport

Please call 381-1300 for drop-off hours.
**Address:**  
1048 East 59th Street  
Davenport, IA 52807

**Directions:** From Highway 61 North or South (Welcome Way/Brady Street), head east on 53rd Street for about a half mile and then turn left (north) on Carey Avenue before the railroad tracks. Follow Carey Avenue to the dead-end. When you enter the Scott Area Recycling Center, follow signs in the parking lot to the Electronic Demanufacturing Facility, which is located just north of the Recycling Center. From I-74 head west on 53rd Street for about 2 miles and then turn right on Carey Avenue immediately after crossing the railroad tracks.

**Phone:** (563) 823-0119  
**Fax:** (563) 823-0140  
**E-mail:** mail@wastecom.com  
**Web Site:** www.wastecom.com
The Electronic Demanufacturing Facility disassembles and recycles residential and business electronic waste, or e-waste. E-waste is defined as devices that contain a circuit board or a cathode ray tube. These items contain environmental hazards such as lead, mercury, cadmium, nickel, chromium, lithium, and PCBs. Material received is demanufactured to ensure data security. None of the material is refurbished or reused.

**Hours:** 7:30 a.m. to 3:30 p.m., Monday through Friday.

**Fees:** The disposal charge is 20 cents per pound. Console and projection televisions are a flat fee of $15. Large copiers are a flat fee of $11. Large or unusual items are assessed on a per item basis.

**Acceptable Material:**
Items with a circuit board or cathode ray tube such as computer monitors, televisions, VCRs, stereos, computers (CPUs), radios, printers, scanners, and video game systems are accepted.

**Collection:** Bettendorf and Davenport residents can put e-waste out at the curb for bulky waste collection. (See pages 21 and 32, respectively, for more information.) For items containing sensitive data, please call 823-0119.
Address:
5640 Carey Avenue
Davenport, IA 52807

Directions: From Highway 61 North or South (Welcome Way/Brady Street), head east on 53rd Street for about a half mile and then turn left (north) on Carey Avenue before the railroad tracks. Follow Carey Avenue to the dead-end. From I-74 head west on 53rd Street for about 2 miles and then turn right on Carey Avenue immediately after crossing the railroad tracks.

Phone: (563) 386-9575
Fax: (563) 386-9431
E-mail: mail@wastecom.com
Web Site: www.wastecom.com

The Scott Area Recycling Center receives recyclables from Scott County residents that are collected curbside and from drop-off containers. Materials are sorted, baled or crushed, and marketed from this location.

Hours: The office is open from 7:30 a.m. to 4:00 p.m. Monday through Friday. Drop-off recycling is available in the parking lot during daylight hours.

Fees: There are no fees for residents to use the drop-off recycling containers. Collection companies and municipalities pay a tipping fee for processing of mixed recyclables.

Oil, Oil Filters and Antifreeze: Residents can drop off up to 25 gallons per month of used motor oil and antifreeze and drained oil filters can be recycled in the parking lot at the Scott Area Recycling Center at no charge. If you have more than 25 gallons, please call the Landfill at 381-1300 for assistance. Used motor oil can also be recycled at Wallace’s Garden Center.
Recycling Rules for Scott County:
• Empty and flatten cardboard boxes.
• All recyclables must be clean (rinse containers) and dry.
• No broken glass.
• No plastic bags. Reuse or recycle them at area stores.
• Labels are okay, but throw the lids away.
• When in doubt, throw it out.

Acceptable Materials:

PAPER PRODUCTS
Newspaper
Magazines
Corrugated cardboard
Cereal boxes
Tissue boxes
Shoe boxes
Snack boxes
Office paper
Shredded paper
Mail
Phone books
Catalogs

CO-MINGLED CONTAINERS
Tin food or beverage cans
Aluminum cans
Aluminum foil
Aluminum pie plates

and plastic containers such as those from:
Milk
Water or juice
Soft drinks
Shampoo & conditioner
Detergents
Bleach
Cosmetics and lotions
Pill bottles
Glass pop bottles
Beer bottles
Wine and liquor bottles
Flower pots
Food containers
Cooking oils
Bathroom cleaners
Kitchen cleaners
Juice containers
Ketchup bottles
Food containers
The Scott County Board of Supervisors provides recycling drop-off boxes for rural residents. These sites are monitored by the Scott County Health Department. See page 13 for items accepted in drop-off boxes.

The Health Department can be reached at 326-8618 or by visiting www.scottcountyiowa.com.

**County Drop Box Locations:**

**West Lake Park**  
Gate 2, County Road Y-48  
Open park hours

**Scott County Park**  
1/2 mile east of Main Park Entrance  
Open park hours

**Pleasant Valley Site at Allied Waste**  
1 mile east of Alcoa off Highway 67  
Open 7 a.m. - 5:30 p.m. weekdays, 7 a.m.-12 p.m. Saturday

**Scott Area Recycling Center** *  
5640 Carey Avenue, Davenport  
Open daylight hours

**Scott Area Landfill** *  
County Road Y48, Buffalo  
Open 7:30 a.m. - 3:30 p.m. weekdays, 8 a.m. - noon Saturday

**Illegal Dumping - Call 326-8618:** If you see someone dumping materials illegally, write down the license number and description of the vehicle. Call the Scott County Health Department at 326-8618 or e-mail health@scottcountyiowa.com with the information as soon as possible.

* Denotes drop-off sites monitored by Waste Commission of Scott County.
Address:
2707 Railroad Avenue
Davenport, Iowa

Phone: (563) 328-7225
Fax: (563) 328-7227
Web Site: www.cityofdavenportiowa.com/compost

Summer Hours:
The facility is open Monday through Friday from 7:30 a.m. to 5:30 p.m. and weekends 8:00 a.m. to 3:00 p.m. We are closed on the major city holidays.

Winter Hours:
December through March hours are reduced. During this time the facility is open Monday through Friday from 8 a.m. to 3 p.m. and closed on weekends.

Tours: Prearranged tours of the Compost Facility are available. Please call 328-7226 for more information.

Drop-Off Site: There is a drop-off area to recycle lawn, garden, landscape, clean stumps and tree debris at the Davenport Compost Facility. Certain cities provide free drop-off during specific weeks for their residents. Please refer to your city-specific pages in this booklet.

Yard Waste Disposal Rates: Fees are charged by the type of material, such as grass, leaves, garden wastes or brush and by the individual bag or compacted by the cubic yard. Please call for current rates. Rates are subject to change.

Compost Products for Sale: The facility has products and services available for retail sale, including compost spreaders and delivery. Call us for details.
Earth Cycle™ Compost is high-quality, fine compost that is produced in one-cubic-foot bags. (Apply per instructions.)

Why Use Earth Cycle™ Compost?
- High organic matter content
- Excellent source of plant nutrients
- Disease suppression
- Improved plant root environment
- Easy to handle
- Meets the “Exceptional Quality” standards set by the U.S. Environmental Protection Commission

Shredded-Wood Mulch and Chipped-Hardwood Mulch: A shredded type mulch is produced from grinding logs and branches into a safe and natural product that can be used for all of your landscaping projects. A chipped-hardwood type mulch is also available that is made from native red and white oak in a one to three inch size. No stains or dyes are used. Prices are per cubic yard.
Address: 
4403 Devils Glen Road 
Bettendorf, IA 52722 
Phone: (563) 344-4088 
Web Site: www.bettendorf.org – Click Request for Service and visit Request Partner on our Web site for requests, feedback, questions, comments or ideas. 

Additional Information: City Cable Channel 9, www.bettendorf.org or www.wastecom.com 

Hours: Office hours are 6:00 a.m. to 6:30 p.m. Monday through Friday. Closed Saturday, Sunday and holidays. 

The City of Bettendorf provides collection to all single-family and some smaller multi-family households. The city provides the following solid waste services:
- Automated Garbage Collection
- Bulky Waste Collection
- Recycling Collection
- Yard Waste Collection

Automated Garbage Collection
The city offers weekly or twice a month collection (for those who choose that option) on your garbage collection day.

Do You Need To Know Your Garbage Day? 
Visit www.bettendorf.org/solid-waste-program.html to look it up online.

Fee: All residents are charged a $5.00/month base fee. In addition, residents pay a fee for the size of the cart they choose. The carts are supplied by the city. Residents are billed for garbage service on their sewer bills. If a resident is not on the sewer billing system, a separate bill is sent. Bills are sent quarterly.

What Does the Fee Include? The fee includes garbage collection and disposal; recycling collection and processing; bulky waste and e-waste collection, disposal and processing; and a portion of the costs of yard waste collection and disposal.
**Extra Bag Fee:** $3.00 per bag for those times when all of your garbage will not fit into your cart with the lid closed.

- The bag must have a $3.00 sticker on it or it will not be collected
- Set the extra bag of trash on top of the closed lid of your cart
- Bag size – no larger than 32 gallons, no more than 50 pounds

Trash stickers are available at City Hall, Public Works, and local grocery and convenience stores.

**Fee for Changing Service Level:** There is a $25.00 fee to change the cart service level. This applies to all residents who have had their garbage cart for more than 30 days. Residents moving into a new residence will not be charged the fee to change their cart service level if they exchange it within 30 days.

**Residents With Twice a Month Option:** Collection is on the first full week and the third week of every month. For those months when there are five weeks in the month, an additional garbage collection will be scheduled on your garbage day during the 5th week. See the city’s Web site for collection dates.

A calendar is mailed every December to residents with this option. Residents may request a calendar by calling 344-4088.

How Do I Sign Up for the Service?

**New Resident:** If you are a new Bettendorf resident, you will need to call the Public Works Department at 344-4088 to choose a cart size for garbage collection. If you do not have a recycling cart, you may order one at the same time. There is no charge for the recycling cart.

**Moving Within Bettendorf:** If you are moving to a different address within Bettendorf, you will need to notify the Public Works Department at 344-4088 of your new address. Please leave both your garbage and recycling carts at the existing address. The city will deliver a garbage and recycling cart to your new address after you have contacted us.

**Moving Outside Bettendorf:** If you are moving outside of Bettendorf, please leave both the garbage and recycling carts at the residence you are moving from. If either of your carts are missing when you move, you will be billed for the cost of their replacement.

**Multi-Family Units and Small Businesses:** If you would like to have city garbage collection service, please call the Public Works Department at 344-4088 to choose a service level.

**Basic Tips for Automated Garbage Collection:**
- Set your cart out by 7 a.m. on your collection day
- Arrows on lid should point toward street
- Place cart near the curb, on the curb, or at the edge of your driveway
- Garbage must be in the cart with the lid completely closed
- For health and sanitary reasons, bag all garbage before putting it into the cart
- Leave an arm’s length of clearance around your cart – do not set directly next to your recycling cart, vehicle, telephone pole, or mailbox
- Eliminate overflow – make sure you have the right size cart to meet your needs; you’ll save money in the long run
**Cart Placement Is Key!** Where and how you place your cart is key to our success. If your cart is obstructed by a vehicle or other object, our driver has to get out of the truck to move the cart in order to empty it. This costs time and money. The truck’s mechanical arm needs unobstructed access to “reach out” to your cart. So please, remember these three rules:

1. **Park It**

   **Cart Safety:** Please read the weight limits on the lid of your garbage cart. Do not overload your cart. Please do not put heavy rocks, sod, or concrete in your cart. If you find the cart too difficult to move, please get help to move it. If your cart is too large for you to handle, smaller carts are available.

2. **Point It**

3. **Give It Space**

**Missed Collection?** If you have questions regarding a missed collection, please call 344-4088.

**The City Encourages Recycling!** Cardboard boxes need to be recycled. Please flatten, tie or tape them together and set them on the ground next to your recycling cart on your regular recycling day. Each bundle of cardboard shall be no more than 50 pounds and 36 inches any direction.

**Stolen or Damaged Carts:** If you suspect your cart has been stolen, you must file a report with the Police Department at 344-4015 in order to receive a new cart. The cart and its contents are the property of the City of Bettendorf. It is against the law to remove them. If your cart is damaged, call 344-4088.
Bulky Waste Collection

The city is pleased to offer residents a bulky waste collection program that is convenient and easy to use. Residents may set out bulky items on recycling collection days. Bulky wastes are large garbage items that are too heavy to be lifted by one person or too large to fit in a garbage cart. Bulky waste includes items such as furniture, appliances, and tires. Electronic waste such as computers and televisions are also collected as bulky waste items. For items containing sensitive data, please call 823-0119. For a complete list of items accepted in the bulky waste program, please visit www.bettendorf.org or call 344-4088.

Household hazardous materials such as batteries, paint and motor oil are not bulky waste items. Home health care waste, such as needles, are not accepted. Please call the Scott Area Landfill at 381-1300 for their proper disposal. See pages 7-9 for more information.

Any bagged items that you set out for bulky waste collection must have a $3.00 sticker on each bag.

For more information on where to donate used building materials, please see page 53.

City code requires that all doors on appliances be removed to protect small children.

Basic Tips for Bulky Waste Collection:

- Set out your bulky waste material(s) on your recycling days only by 7 a.m.
- Leave an arm’s length of space between your bulky waste items and your garbage and recycling carts
- No paint or hazardous materials are accepted
- Any bagged items set out need a $3.00 sticker
Recycling Collection

Recycling collection is once every 4 weeks on your garbage collection day. Recycling collection is done on the same day as garbage collection. A refrigerator magnet and vinyl calendar for your cart showing your collection day are mailed annually. If you need a calendar, please call 344-4088. The carts are divided in the middle with paper items on one side and containers on the other side. Look under the lid of your cart for accepted items.

Fee: The fee for recycling collection is included in the garbage fee.

Basic Tips for Recycling Collection:

• Set your cart out by 7 a.m. on your collection day.
• Place cart near the curb, on the curb, or at the edge of your driveway.
• Leave an arm’s length of clearance around your cart – please do not set directly next to your garbage cart, mailbox, vehicle or telephone pole.
• All cardboard must be flattened, bundled or taped together, and set next to cart. It must not be more than 36 inches any direction and no more than 50 pounds per bundle.
• No plastic bags, lids, frozen food containers, beverage cartons or food-contaminated pizza boxes.
Items Accepted in Your Recycling Cart:
See the Scott Area Recycling Center on page 13 for a complete list of items accepted by all cities’ collection programs in Scott County. Note that corrugated cardboard must be flattened and no larger than 36”, not more than 50 pounds per bundle, tied or taped in bundles, set next to cart.

Cart Too Full?
- Flatten all cans and containers before putting them into the cart.
- Flatten and tie or tape your cardboard. Place it next to your cart.
- Take your excess materials to the Scott Area Recycling Center, 5640 Carey Avenue, Davenport. See page 12.
- If you consistently overfill your cart, the city will deliver a second cart to you at no charge. Call 344-4088.

Moving?
Leave your cart at the residence you are leaving. If you move to another residence in Bettendorf and a cart is not there, call us for a new cart.

Stolen or Damaged Carts: If you suspect your cart has been stolen, you must file a report with the Police Department at 344-4015 in order to receive a new cart. The cart and its contents are the property of the City of Bettendorf. It is against the law to remove them. If your cart is damaged, call 344-4088.

Missed Collection?
If you have questions regarding a missed collection, call 344-4088.
Yard Waste Collection

Yard waste collection is weekly on your garbage collection day. Yard waste includes grass clippings, leaves, branches and garden waste. The city recommends you do not bag yard waste. Yard waste disposal can be accomplished by using a backyard composter, leaving your grass clippings on the grass after you cut it, and/or mulching your leaves.

Fee: Each bag of yard waste must have a $1.60 sticker on it. There is no charge for bundled tree trimmings and branches. The city offers weeks in the spring and fall when no stickers are required on yard waste bags. The weeks are listed on page 25.

Yard waste stickers are available at City Hall, Public Works, and local grocery and convenience stores.

Basic Tips for Yard Waste Collection:

- Set out by 7:00 a.m. on your collection day
- Yard waste must be placed in kraft paper bags with a $1.60 sticker
- No more than 50 pounds per bag
- Branches must be no longer than 5 feet
- Branches must be no larger than 6 inches in diameter
- All branches must be bundled and weigh no more than 50 pounds per bundle
- Small quantities of old firewood accepted

*All other holidays are on schedule (no change).*

**Special Holiday Collection Allowance:** Do you have extra bags of garbage due to the holidays? Residents may set out 2 extra bags of garbage without stickers, outside of their carts on their garbage day during the following weeks: Week of Dec. 26-30, 2006, Nov. 26-30, 2007 & Dec. 24 – 29, 2007

**Special Collection Dates 2007**

Christmas Tree Pickup: January 2 – 12, no sticker required.

**No Charge Leaf Drop-off Under the I-74 Bridge:**

Saturdays, 8 a.m. – 1 p.m. • April 7 and April 14
October 13, 20, 27 • November 3, 10, 17, 24

**Free Curbside/Alley Pickup of Yard Waste Bags:**

April 2 - 13 • October 8 – November 24
City Ordinance Information: There are several city ordinances regarding solid waste issues. If you’d like a copy of the ordinances, please call City Hall at 344-4000, Monday – Friday between 8 a.m. and 5 p.m. You can also view them on the city’s Web page www.bettendorf.org.

- Solid Waste Collection: Chap. 13, Articles I, II, and III
- Recycling Collection: Chap. 13, Article IV
- No Burning Ordinance: Chap. 11, Article I

Solid Waste Collection Map

Do you need to know your garbage day? Go to www.bettendorf.org/solid-waste-program.html to look it up online.
Address:
1200 East 46th Street
Davenport, IA 52807

Phone: 563-326-7732 (After hours messages may be left on this telephone line).
Web Site: www.pitch-in.org
Visit the city’s new Web site for the most current and detailed information.
Note: Regulations are subject to change.

Additional Information: City Channels 9 and 18 on cable TV.

Hours: Office hours are 7:00 a.m. to 4:30 p.m. Monday through Friday.
Closed Saturday, Sunday and city holidays.

The City of Davenport has operated its own solid waste division since 1932 and provides collection to all single-family through three-plex multi-family households. The city provides the following solid waste services:

- Automated Garbage Collection
- Bulky Waste Collection
- Every Other Week Recycling Collection
- Yard Waste Collection

**Automated Garbage Collection** The city provides residential garbage collection weekly in special automated trucks with robotic arms.
How To Use The Carts:

**Garbage must be in the cart with the lid completely closed.** For health, sanitary and litter control reasons, bag all garbage before putting it into the cart.

**Eliminate overflow** - make sure you have the right size cart to meet your needs; you’ll save money in the long run.

**Set your cart out by 7 a.m.** on your collection day to prevent missed pick-ups.

**Stolen or lost cart** - call Public Works at 326-7732. The cart is the property of the City of Davenport and each one has a serial number to identify it.

**Garbage that does not fit inside the cart requires a sticker.** You may place a bag with a sticker on top of your cart and the robotic arm will pick it up. If you have more than one bag, set them at least 4 feet away from the cart so that the robotic arm has room to grab the cart.

**Weight and size of any individual garbage bag cannot exceed 50 pounds and 33 gallons.** Weight of a garbage cart cannot exceed the maximum weight limit imprinted on its lid.

**Leave at least 4 feet of clearance around your cart** – do not set directly next to your recycling bins, vehicle, telephone pole, or mailbox.

**Arrows on the lid should point toward the street or alley.**

**Find a trouble-free location for the cart,** preferably on a level surface at the street or alley line. Do not place on top of a snowdrift.
Acceptable in the Garbage Cart:

- Normal household garbage like food waste, dirty paper products, diapers, non-recyclable plastics and small building repair items that fit in your cart.
- Ashes from fireplaces and stoves must be cold and wetted to ensure they will not melt your cart or start a fire. Place ashes in plastic bags for collection.
- Building materials are limited to only small amounts that fit into your cart each week with the lid closed. The materials must not exceed the weight limit printed on your cart.
- Household-type (alkaline) batteries.

Unacceptable in the Garbage Cart:

- Auto parts (call a salvage dealer)
- Automotive (lead-acid) and rechargeable batteries (see Scott Area Household Hazardous Material Facilities section)
- Bulky waste, furniture, appliances, tires and electronic waste (see Bulky Waste Collection)
- Business waste (see Scott Area Landfill section for disposal options)
- Cardboard boxes must be collapsed and recycled. Do not use them for garbage containers (see Recycling Collection)
- Carpet and carpet padding (see Bulky Waste Collection)
- Debris and waste from remodeling or construction projects, and work completed by contractors (see Scott Area Landfill section for disposal options)
- Gasoline and fuel (see Scott Area Household Hazardous Material Facilities section)
- Hypodermic needles and home health care waste (see Scott Area Household Hazardous Material Facilities section)
- Liquids cannot be collected per Iowa Law (see Scott Area Household Hazardous Material Facilities section)
- Paint and paint products (see Scott Area Household Hazardous Material Facilities section)
- Tires (see Bulky Waste Collection or the Scott Area Landfill section)
- Used oil (see Scott Area Household Hazardous Material Facilities section)
Fees:
City customers are billed every three months for solid waste services. The solid waste fee pays for garbage, recycling, bulky waste, no sticker yard waste weeks and free bundled brush collection. There are three different size roll-out carts in this program, each with a different monthly fee.

All fees associated with this program are effective July 1, 2006. See a current list on our Web site at www.pitch-in.org.

Extra Bag Fee: $4.00
An Extra Garbage Sticker is required on all bags of garbage that do not fit into the cart with the lid closed. Each bag must be no larger than 33 gallons and weigh 50 pounds or less. Stickers can be purchased at most local grocery and hardware stores.

Special Collection: $35.00
This service allows you to dispose of a large amount of garbage at one time without buying stickers for each bag or item, for example, moving out of your house or cleaning out the basement. Call to schedule an appointment.

**Vacation Shut-off Request: $35.00**
This service allows you to temporarily shut-off your solid waste service due to an extended vacation. Your monthly solid waste fee will be reduced to zero for the specified number of months, not to exceed six. The city will remove your cart and return it when service is re-activated. A request form must be submitted to the city for this service.

**Cart Exchanges:**
Garbage carts can be exchanged for a different size by calling Public Works. You can exchange to a smaller cart for free. You can exchange to a larger cart for free one time until June 30, 2007. Otherwise, there is a $10 fee for an exchange to a larger cart. New customers will not be charged to exchange a cart when moving into a home. Note: The cart must be empty to be exchanged.

**Signing Up For The Service**

**New Resident:**
If you are a new Davenport resident, you will need to call Public Works at 326-7732 to choose a cart size for garbage collection. If you do not have recycling bins, you can request those at the same time. There is no charge for recycling bins.

**Moving Within Davenport:**
If you are moving to a different address within Davenport, you will need to notify Public Works of your new address. Please leave both your garbage cart and recycling bins at the existing address. The city will change your cart size if needed.

**Moving Outside Davenport:**
If you are moving outside of Davenport, leave both the garbage cart and recycling bins at your old home for the next person. They are the property of the City of Davenport and assigned to the house.

**Multi-family Units:**
If you would like to have city garbage collection service, please call Public Works at 326-7732 to sign up for a cart size. Small multi-family units may be eligible for service.
**Bulky Waste Collection**

The city provides every other week bulky waste collection on your recycling day. The northern half of the city is collected one week and the southern half the next. A calendar showing your recycling and bulky waste collection week is mailed annually. If you need a calendar, please call 326-7732.

**Fee:**

There is no additional fee for bulky waste collection. It is included in your city solid waste fee.

Bulky waste collection is for large garbage items that are too heavy to be lifted by one person and too large to fit in a garbage cart, such as furniture, appliances, electronic waste and up to 5 tires. Please do not place items at the curb until the day before your collection or you may be required by the city to remove it.

**Acceptable for Bulky Waste Collection:** (for a complete list of acceptable items, visit [www.pitch-in.org](http://www.pitch-in.org))

- Appliances (up to 4 per household only) such as stoves, dishwashers, washers, dryers, dehumidifiers, and refrigerators. Please remove refrigerator and freezer doors to prevent accidents with small children.
- Building materials are the homeowner’s responsibility. The city will collect only one garbage cart full with the lid closed. There are a few exceptions for minor home repairs, such as toilets, sinks and bathtubs, visit [www.pitch-in.org](http://www.pitch-in.org) and the “What Goes Where” page.

**Unacceptable for Bulky Waste Collection:**

- Building materials from remodeling projects, construction projects, and work completed by contractors. Private haulers have dumpsters for collection. (Check the yellow pages of your phone book, or the Scott Area Landfill for help.)
- Concrete and rocks (see Scott Area Landfill section).
Every Other Week Recycling Collection
The city provides every other week curbside recycling collection on your garbage day using 18-gallon recycling bins. The northern half of the city is collected one week and the southern half the next. A calendar showing your recycling and bulky waste collection week is mailed annually. If you need a calendar, please call 326-7732.

Dividing lines for North and South weeks’ collection are the following:
Monday: Duck Creek
Tuesday: 29th Street
Wednesday: Duck Creek
Thursday: Kimberly Road
Friday: Locust to Fairmount to Telegraph Road
Visit www.pitch-in.org to view a collection map.

Fee:
There is no additional fee for recycling in Davenport. It is included in your city solid waste fee.
How to Use the Bins:

- Prepare your recyclables by rinsing containers and throwing away lids.
- Place your paper products in one bin and containers in the other. They must be kept separate.
- If you use just one bin, place your paper products inside a paper bag and set them inside the bin with the containers.
- Cardboard boxes must be flattened and no more than 30 inches by 30 inches to fit through the truck doors. Cardboard may be laid under your recycling bin to secure it.
- Handicapped-style recycling bins with small wheels are available by request. Call 326-7732 for more information.
- Lids for your recycling bins can be purchased at the Davenport Public Works Center.

How to Place the Bins:

- Set your bins out by 7 a.m. on your collection day to prevent missed pick-ups.
- Place bins at your normal collection point, directly next to the curb or alley.
- Keep the bins at least 4 feet away from garbage carts, mailboxes, utility poles and other obstructions.
- Please keep garbage, recycling and bulky waste clearly separated.
- If you have only cardboard to recycle, set out your recycling bin too. This will help the crews see that you have recyclables and it can prevent missed pick-ups.
- Theft: The recycling bins and the recyclable materials inside the bins are the property of the City of Davenport. It is a violation of the law to remove anything from the bins.

Acceptable in the Recycling Program:
See the Scott Area Recycling Center on page 13 for a complete list of items accepted by all cities’ recycling programs in Scott County. Note that corrugated cardboard must be flattened and no more than 30 inches by 30 inches to fit in our trucks.
Any materials not accepted in this program will be left in your recycling bins along with a Friendly Reminder card.

**Bins Too Full?**
- Flatten all cans and containers before placing them in the bins.
- Flatten your cardboard and put it next to or under your bins.
- Take your excess materials to the Scott Area Recycling Center, 5640 Carey Avenue, Davenport. See page 12.
- If you consistently overfill your recycling bins, the city will deliver additional bins to you at no charge. Call 326-7732.

**Unacceptable in the Recycling Program:**
Materials not outlined in this Guide and recyclables generated from businesses will not be collected through the city’s curbside program. For business recycling, see the Scott Area Recycling Center section.

**Moving?**
Leave your city recycling bins at your old home for the next person. The recycling bins are the property of the City of Davenport and assigned to the house.

**Missed Collection?**
If you have questions regarding a missed collection, please call 326-7732.

**Yard Waste Collection**
The city provides weekly collection of yard waste on the same day as garbage, but at a different time. It must be contained in 2-ply kraft paper bags with special city (EarthCycle™) stickers attached. Yard waste collection typically ends each year in mid-January and starts again in April. All yard waste collected curbside is taken to the Davenport Compost Facility and recycled.

**Fee:**
Each bag of yard waste must have a $1.60 city sticker on it (price effective April 2003). There is no charge for bundled brush such as tree trimmings, branches, or Christmas trees. The city offers weeks in the spring and fall when no stickers are required on yard waste bags. These are generally the first two weeks of April, the last two weeks of October and four weeks in November. The 2007 weeks are listed on page 37.
Acceptable for Yard Waste Collection:
Yard waste is defined as leaves, grass clippings, garden plants, stalks, flowers, straw, twigs, tree trimmings and brush. Iowa law requires it be collected separately.

Basic Tips for Yard Waste Collection:
• All yard waste must be contained in 2-ply kraft paper bags. No plastic bags or garbage cans.
• City yard waste (EarthCycle ™) stickers are required on all bags and can be purchased at local grocery and hardware stores. Ask for assistance at their customer service counters.
• Brush such as branches, tree trimmings, twigs and bushes are accepted. It must be bundled with a sturdy twine. No tape, wire or plastic.
• Brush must not exceed 5 feet in length and bundles must not weigh more than 50 pounds.
• Christmas trees without plastic bags or metal stands are collected. Wreaths and garland must be bagged as garbage.
• Set yard waste out by 7:00 a.m. on your collection day to prevent missed pickups.
• Stumps & tree limbs larger than 6 inches in diameter must be taken to the Compost Facility.

Alternatives to Yard Waste Collection:
Grass clippings and leaves can be left on the lawn, used as mulch, or home composted.

Severe Storm Cleanup:
Tree branches that fall down as a result of a storm are to be bundled and collected in the same way as normal yard waste collection. City crews will clear public sidewalks streets and alleys. Residents with large fallen trees on private property must contact a private tree removal company. Residents can also haul their own branches, stumps and yard waste to the Davenport Compost Facility. Stumps and tree limbs larger than 6 inches in diameter are not eligible for city collection because they can damage the trucks. However, they are accepted at the Davenport Compost Facility.
**Holiday Collection Schedule**

Official city holidays may change your collection day. If your normal collection day falls on or after a holiday, your collection will be one day late (with Friday collection on Saturday). Normal schedules resume the next week.

*All other holidays are on schedule (no change).*
Phone: City Hall at 381-4700
Web Site: www.bluegrassia.org

Garbage Collection: Allied Waste picks up garbage each Monday. Must be curbside by 7:00 a.m. If Monday is a holiday observed by Allied Waste, Tuesday will be pickup day. City Hall to announce.

Recycling Collection: Blue Grass has mandatory recycling. Allied Waste is the hauler and will pick up recycling on garbage day. See page 13 for how to prepare recyclables.

Holidays: Allied Waste recognizes six major holidays: New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas. Garbage collection will run one day late for all communities that have collection on or after a holiday during the holiday week.

Appliances, Bulky Waste and Tires: Homeowner’s responsibility.

Electronic Waste Recycling: No city arrangements. Items may be taken to the Electronic Demanufacturing Facility for recycling. See page 11 for program information.

Curbside Large Item Pickup: One free item per month on the first pick-up of each month. Purchase large item stickers at City Hall for $1.00 each. Call City Hall for a list of acceptable items.

Cleanup Days/Weeks: One day in the spring and one day in fall. City Hall to announce.
Tree Trimmings: Homeowner may burn on a designated burn day. Call Fire Station at 381-1234 for a pre-recorded message to determine if it is an approved burn day.

Brush, Grass and Leaves: Purchase stickers at City Hall for $1.75 each. Homeowner supplies own bags. Must be paper biodegradable bags only. Garbage hauler will pick up on garbage day at certain times of the year designated by hauler. City Hall will announce.

Christmas Trees: Allied Waste will pick up in January. City Hall to announce dates.

Motor Oil: Residents may drop off oil at the City Maintenance Shop during business hours at no charge.

Burning Regulations: No burning of leaves, trees, grass, rubbish, residential waste, or yard waste. Tree trimmings are allowed on a designated burn day. For burn day information, call 381-1234 for a pre-recorded message.
City of Buffalo

Phone: Public Works at 381-3530 or City Hall at 381-2226
Web Site: www.buffaloiowa.org

Garbage Collection: Garbage is hauled by Allied Waste on Tuesdays. All garbage must be in bags inside garbage cans with lids. Pickup begins at 7 a.m.

Recycling Collection: Buffalo has mandatory recycling. Containers may be purchased anywhere by the customer. Allied will pick up on garbage day.

Holidays: Allied Waste recognizes six major holidays: New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas. Garbage collection will run one day late for all communities that have collection on or after a holiday during the holiday week.

Bulky Waste/Bulk Items: One bulky item per household can be set out on the first pickup day of the month.

Appliances: Homeowner’s responsibility.

Electronic Waste Recycling: No city arrangements. Items may be taken to the Electronic Demanufacturing Facility for recycling. See page 11 for program information.

Cleanup Days/Weeks: Once a year in the spring. Call in early April for the date.

Brush, Tree Trimmings and Christmas Trees: Call Public Works at 381-3530 to have names put on a list for chipping as time permits.

Grass and Leaves: Allied Waste will collect grass and leaves on garbage day. Purchase stickers at City Hall for $1.50 each. Homeowner supplies own biodegradable paper bags.

Motor Oil: Oil may be taken to the Landfill for recycling during their regular hours. See page 6 for details.

Burning Regulations: Burning is allowed of limbs and branches. No garbage, burn barrels, building materials, or grass.
City of Dixon

Phone: Lori Levetzow at 843-3425

Garbage Collection: Garbage is hauled by Allied Waste on Mondays.

Recycling Collection: Allied Waste on Mondays.

Holidays: Allied Waste recognizes six major holidays: New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas. Garbage collection will run one day late for all communities that have collection on or after a holiday during the holiday week.

Appliances, Bulky Waste and Tires: Property owner’s responsibility.

Electronic Waste Recycling: No city arrangements. Items may be taken to the Electronic Demanufacturing Facility for recycling. See page 11 for program information.

Cleanup Days/Weeks: One cleanup day in spring.

Grass and Leaves: Property owner’s responsibility.

Motor Oil: Oil may be taken to the Landfill for recycling during their regular hours. See page 6 for details.

Burning Regulations: Yard waste burning is permitted on private property. (No burning on streets or alleys.)

City of Donahue

Phone: Christa Wilson at 282-4161

Garbage Collection: Hauler is Allied Waste and collection is on Friday mornings.

Recycling Collection: Recycling is also done by Allied Waste on Friday mornings.

Holidays: Allied Waste recognizes six major holidays: New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas. Garbage collection will run one day late for all communities that have collection on or after a holiday during the holiday week.

Appliances, Bulky Waste, Tires: Dispose during annual Operation Clean Sweep in April.
**Electronic Waste Recycling:** No city arrangements. Items may be taken to the Electronic Demanufacturing Facility for recycling. See page 11 for program information.

**Cleanup Days/Weeks:** Operation Clean Sweep in April.

**Brush and Tree Trimmings:** The open burning of trees and tree trimmings at a city-operated burning site is permitted, provided such burning is conducted in compliance with the rules established by the Iowa Department of Natural Resources.

**Christmas Trees:** As stated above.

**Grass and Leaves:** Must be placed in brown bags purchased at City Hall.

**Motor Oil:** Oil may be taken to the Landfill for recycling during their regular hours. See page 6 for details.

**Burning Regulations:** Open burning is restricted with some exceptions. Call for details.

---

**CITY OF ELDRIDGE**

**Phone:** City Hall at 285-4841  
**Web Site:** [www.eldridge.org](http://www.eldridge.org)

**Garbage Collection:** Allied Waste, 332-0050. North of LeClaire Road on Wednesday. South of LeClaire Road on Thursday. Collection is limited to a maximum of four 45-gallon cans or 33-gallon bags, not over 50 lbs each. May have one bulk item at curbside weekly. Excess waste must have sticker attached. Stickers available at City Hall.

**Recycling Collection:** Allied Waste collects curbside north of LeClaire Road on Wednesday and south of LeClaire Road on Thursday.

**Holidays:** Allied Waste recognizes six major holidays: New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas. Garbage...
collection will run one day late for all communities that have collection on or after a holiday during the holiday week.

**Other Garbage Information:** Construction materials such as plaster board, lumber, paneling, large amounts of carpet, windows, doors, and large amounts of furniture from rental properties are considered business related and are the responsibility of the business owner. (Note: Very small amounts of construction material may be taken if packaged properly.)

**Appliances:** May be taken to the City Shop, 105 E. LeClaire Rd.

**Electronic Waste Recycling:** No city arrangements. Items may be taken to the Electronic Demanufacturing Facility for recycling. See page 11 for program information.

**Bulky Waste:** Place sticker on item. Items will be picked up weekly on Wednesdays and Thursdays.

**Tires:** Must be taken to Scott Area Landfill.

**Cleanup Days/Weeks:** None

**Brush and Tree Trimmings:** Call 285-4841 for chipping service March through November. Service is provided on first and third Tuesdays, but you must call by the Monday before to arrange for the service.

**Christmas Trees:** During the weeks following Christmas, place your tree at curb-side on your regular garbage collection day. Please do not put your tree in a plastic bag.

**Grass, Leaves and Other Yard Waste:** Collection at curb every Monday between April 1 and October 15. Yard waste must be placed in 2-ply paper bags up to 32 gallons and not weighing more than 50 pounds. Bags must have a CITY OF ELDRIDGE YARD WASTE tag attached. These tags may be purchased from City Hall, Eldridge Pharmacy or North Scott Foods. From October 16 through March 31, yard waste may be dropped off at the City Shop and placed in the truck provided for collection. NO PLASTIC BAGS. Either drop waste off loose or in paper yard waste bags.

**Motor Oil:** May be taken to the City Shop, 105 East LeClaire Road, 7:30 a.m. to 4:30 p.m.

**Burning Regulations:** Yard waste burning is permitted on private property only (no burning on streets or sidewalks).
CITY OF LECLAIRE

Phone: Edwin N. Choate at 289-4242
E-mail: echoate@leclaireiowa.gov
Web Site: www.leclaireiowa.gov

Garbage Collection: Allied Waste collects garbage on Wednesday on Wisconsin St. and north. Thursday collection is everything south of Wisconsin. Must be out at the curb by 7:00 a.m.

Recycling Collection: Same day as garbage collection.

Holidays: Allied Waste recognizes six major holidays: New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas. Garbage collection will run one day late for all communities that have collection on or after a holiday during the holiday week.

Appliances: Call City Hall for collection: $15.00 sticker required. Picked up on first Saturday of the month.

Electronic Waste Recycling: No city arrangements. Items may be taken to the Electronic Demanufacturing Facility for recycling. See page 11 for program information.

Bulky Waste: Picked up first pick-up of the month.

Cleanup Days/Weeks: None

Tires: Tires not picked up. Tires may be taken to the Scott Area Landfill.

Brush and Tree Trimings: Must be bundled and tied. Lengths must not exceed four feet. Brush stickers are available at Slagle’s or City Hall for $1.50 each.

Christmas Trees: Picked up at curb December 26 through January 15.

Grass and Leaves: Bag in biodegradable bag and apply sticker for pick-up. Stickers are available at Slagle’s or City Hall for $1.50 each.

Motor Oil: Oil may be taken to the Landfill for recycling during their regular hours. See page 6 for details.

Burning Regulations: Only residential yard waste originating on the property can be burned if it is not creating a nuisance.
**City of Long Grove**

**Phone:** Susan Lensch Buchman at 285-4904  
**E-mail:** CityofLG@netins.net  
**Web Site:** www.LongGroveIA.org

**Garbage Collection:** Allied Waste collects garbage on Thursdays. Must be at the curb by 7:00 a.m.

**Recycling Collection:** Allied Waste collects recyclables on Thursdays. Must be at the curb by 7:00 a.m. in city recycling bins.

**Holidays:** Allied Waste recognizes six major holidays: New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas. Garbage collection will run one day late for all communities that have collection on or after a holiday during the holiday week.

**Appliances and Bulky Waste:** Some appliances/bulky waste may be picked up on the regular garbage day. The city has Spring/Fall Cleanup Day.

**Electronic Waste Recycling:** Items may be taken to the Electronic Demanufacturing Facility for recycling or will be picked up at the Spring/Fall Cleanup Day. See page 11 for more information.

**Cleanup Days/Weeks:** Spring and Fall.

**Tires:** Tires will only be taken on Spring/Fall Cleanup Day.

**Brush and Tree Trimmings:** If bundled and tied according to regulation, will be picked up by the city on Tuesdays. Must have to curb by 8:00 a.m.

**Christmas Trees:** Picked up by the city truck if placed at the curb.

**Grass and Leaves:** Picked up by city truck if placed by curb before 8:00 a.m. on Tuesdays and in City of Long Grove yard waste bags. The bags may be purchased at City Hall or at North Scott Foods.

**Motor Oil:** May be taken to the Landfill for recycling during their regular hours. See page 6 for details.

**Burning Regulations:** Leaves may be burned Wednesdays and Saturdays from 8:00 a.m. to 4:00 p.m. No grass burning is allowed.
CITY OF MAYSVILLE

Phone: Mayor at 391-3791

**Cleanup Days/Weeks:** Set by city; semi-annual.

**Brush, Tree Trimmings, Grass and Leaves:** Grass and leaves must be in kraft paper bags or loose in garbage cans. Picked up weekly on garbage day, but by another truck, April through November.

**Christmas Trees:** Picked up in January (to be announced) on a regular garbage day.

**Motor Oil:** Oil may be taken to the Landfill for recycling during their regular hours. See page 6 for details.

**Burning Regulations:** None
CITY OF WALCOTT

Phone: John Brockmann at 284-6571, Ext. 11
E-mail: walcottpwd@mchsi.com

Garbage Collection: Set at curb on Mondays by 7:00 a.m., will be picked up by Allied Waste.

Recycling Collection: Must be in container given out by waste hauler or at City Hall. Place out and away from regular garbage on Monday. Paper and cardboard must be bundled and tied.

Holidays: Allied Waste recognizes six major holidays: New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving, and Christmas. Garbage collection will run one day late for all communities that have collection on or after a holiday during the holiday week.

Appliances: Set by curb. Call City Hall for pickup.

Electronic Waste Recycling: No city arrangements. Items may be taken to the Electronic Demanufacturing Facility. See page 11 for program information.

Bulky Waste: Set out on normal garbage day.

Cleanup Days/Weeks: None

Tires: Residents are responsible for taking tires to the Scott Area Landfill.

Brush, Tree Trimings and Christmas Trees: Set at curb and call City Hall for pickup. Brush-tie in bundles.

Grass: Bagged grass can be taken to the City’s Compost Site. Bags MUST be emptied and not left at Compost Site.
**Leaves:** October 1 through November 15. Bag, tie up and set at curb by 8 a.m. on Tuesdays and Fridays. City will pick up or you can take leaves to the city compost site and empty the bags. Do not leave bags at the site.

**Motor Oil:** May bring to City Shop for recycling.

**Burning Regulations:** Absolutely NO burning in Walcott.

---

**REUSE PROGRAMS**

**Habitat ReStore**

**Address:**
3629 Mississippi Avenue, Suite B, Davenport, IA 52807
(just east of Dahl Ford, off East Kimberly Road)

**Phone:** 563-391-4949

**Web Site:** [www.restoreqc.org](http://www.restoreqc.org)

**Hours:** 10 a.m. to 5 p.m Wednesday through Friday and 9 a.m. to 2 p.m. on Saturday.

The Habitat ReStore is a building materials reuse center, open to the public and operated locally by Habitat for Humanity-Quad Cities. The ReStore creates a link between people who have good quality building materials they no longer need and those who can use such materials for the renovation and upkeep of their properties.

Habitat for Humanity ReStore accepts materials on donation. No appliances or furniture, please. Call first for screening assistance. Delivery is appreciated, but pickup is available.

**Other Reuse Organizations**

Bulky waste items in good condition can be used by others. Consider donating them to a charitable organization. Here’s a brief list of organizations that may accept usable items in good condition:

- Disabled American Veterans 386-0336
- Discovery Shops (Bettendorf) 355-0824
- (Davenport) 386-0721
- Goodwill (Bettendorf) 344-9431
- (Davenport) 823-1790
- QC Symphony 2nd Fiddle Sale 322-0931
- Salvation Army 323-2748
- Salvation Army 323-2748
STORMWATER PROGRAMS IN SCOTT COUNTY

What is stormwater runoff? Stormwater runoff is the water that flows off roofs, driveways, parking lots, streets, and other hard surfaces during rainstorms and snow melt. Rather than being absorbed into the ground, it pours into ditches, culverts, catch basins, and storm drains eventually entering the community’s waterways, streams, ponds and the river.

Why do we need programs to prevent pollution runoff?
- To maintain the quality of our drinking water supplies and natural waterways for recreational activities such as wading, swimming, fishing, water skiing, etc.
- To prevent oil, salt, litter, soil, fertilizers, and pesticides from polluting our waterways.
- To minimize damages that may occur when stormwater runoff exceeds the capacity of the pipes and open channels used to carry stormwater to our rivers and streams.
- To meet the Federal Clean Water Act that requires a National Pollutant Discharge Elimination System Permit for all municipal stormwater discharges.

What are the benefits to me? Everyone benefits from clean water programs. Direct benefits may include complying with Federal and State mandates, protecting your property from upstream runoff, protecting property downstream from your runoff, allowing for future development, providing safe roadways, educating our children about pollution, and improving water quality.

What can I do to help? Water quality is everyone’s responsibility. Water is a precious resource. Spotting and reporting pollution, preventing pollution by recycling, and properly disposing of household chemicals are simple things everyone of all ages can do to protect our stormwater and our community.
Get Involved!
Here are some organizations working on water quality and environmental issues:

City of Bettendorf
Stormwater Hotline: 344-4084
www.bettendorf.org

City of Davenport
Stormwater Hotline: 326-7923

Xstream Cleanup
Phone: 468-4218
Web Site: www.xstreamcleanup.org
Keep Scott County Beautiful (KSCB) was created to help preserve and enhance the beauty of Scott County. This group is an affiliate of Keep America Beautiful. You may recognize KAB through their annual “Great American Cleanup” event and public service announcement featuring “Iron Eyes Cody” crying over a ruined and polluted landscape. This national, non-profit organization has been dedicated since 1953 toward empowering local individuals to take greater responsibility for enhancing their community environment. Keep Scott County Beautiful adopted the mission, mandate, and education focus of Keep America Beautiful and locally promotes a cleaner, more beautiful Scott County. Keep Scott County Beautiful’s mission is “to empower individuals to take greater responsibility for enhancing their community environment.”
Adopt-A-Spot
Phone: (563) 468-4218
Web Site: www.adoptaspot.org

Adopt-A-Spot is an opportunity for groups, organizations and individuals to get involved in creating a cleaner and more beautiful Scott County. By adopting spots groups commit to keep their area free of litter by conducting at least four cleanups per year for a period of at least two years. Groups may also choose to conduct other beautification at their sites such as landscaping or planting flower beds. KSCB will provide all the materials that groups need to conduct their cleanups including litter tongs, gloves, safety vests and trash bags. Sites will be marked with personalized signs recognizing the volunteers picking up the area and will also receive recognition on the Adopt-A-Spot Web site.

Adopt-A-Spot is envisioned as a program that will fill in the gaps between similar existing programs. The Adopt-A-Spot Web site provides information about all the available programs for adoption in the Quad Cities area providing contact information and links to the Web sites of other programs making it easy for people to find the program that best fits their needs. The Adopt-A-Spot program will allow people a chance to care for areas of their choosing that don’t fall under the umbrella of any of the other “adopt-a” programs and be recognized for their efforts.

Illegal Dumping
Hotline: (563) 468-4219

Illegal dumping is the improper disposal of solid waste. A person caught illegally dumping in Iowa is subject to civil penalties enforceable under the Iowa Code, Sections 455B.307 and 455B.363 and possibly additional fines under local ordinances.

Don’t let an illegal dump site spoil the natural beauty that is Iowa. Call the Hotline at (563) 468-4219 if you witness illegal dumping. Take action now to prevent illegal dumping.
